We strive to create high quality, timely, environmentally conscious and cost-effective engineering solutions.

## Service Areas

- Mechanical Engineering
- Civil Engineering
- Structural Engineering
- Environmental Engineering
- Drafting and Printing

**REDLEAF CONSULTING  
ENGINEERING SERVICES**

Come On In!

## Facilities

The Redleaf Consulting, PLLC office is located on the 2nd floor of the Health and Fitness Building in Big Sky, MT. This building was recently completed and awarded LEED Gold Certification! Redleaf Consulting, PLLC performed the whole building energy simulation and the Heating, Ventilation, and Air Conditioning design for this building. Heating and cooling are provided via ground source heat pumps that capture free energy from the Big Sky Sewer and Water District treatment plant ponds. The simulations show that this building's energy cost/consumption is 45.8% less annually than a standard baseline building! Please stop by anytime and we'd be happy to give you a tour.

# Redleaf Consulting, PLLC - Effective Engineering Solutions

## Location

Redleaf is Located in the Meadow Village Center  
Big Sky, MT

To find **Redleaf**, go to the Meadow Village Center (MVC) in Big Sky, Montana. The MVC is located just East of the Big Sky public golf course. Once you get to the MVC go to the Southeast parking lot. The Health and Fitness building is on the East side of the parking lot just South of the Lone Peak Brewery. Redleaf's office is located on the 2nd floor of the Health and Fitness Building.

Redleaf Office

## Overview

**Redleaf Consulting, PLLC** is a Professional Limited Liability Company (PLLC) that provides engineering consulting, design engineering, project engineering, drafting, and inspection services. Redleaf endeavors to create high quality, environmentally conscious, timely, and cost-effective engineering solutions. Established in Montana in 2004, Redleaf Consulting, PLLC is owned and operated by its Principal, Philip R. Kedrowski, P.E., LEED-AP. Philip's vision is to grow this company into a multi-discipline engineering firm and build a team of experts in the various engineering and consulting disciplines. In the interim, Philip surrounds himself with talented sub-consultants so that he can draw on their individual expertise and provide the best service possible to Redleaf's clientele.

## Principal

Philip R. Kedrowski, PE, LEED-AP

Philip has a background in construction and engineering that spans nearly two decades. Philip is an active member of the Montana professional community and serves on the board of directors for the Montana Chapter of the American Council of Engineering Companies. Philip is also a founding board member for the Montana Chapter of the United States Green Building Council.
